

### DVD Discussion Sheet

#### Like Father, Like...

It is amazing how we fall back on the way we were disciplined to discipline our own children. This is great if your parents disciplined well. It can also be very bad if your parents disciplined poorly. Take an honest look at how your parents disciplined compared with the information in this lesson and then decide if you need to change your style as well.

Sometimes we say no because we are programmed to. Try saying yes as much as you can.

1. Psalm 127:3-5a (NLT)
